

SUSTAINABLE PROCUREMENT

ADVANCED ONLINE PUBLIC TRAINING COURSE

THE COURSE FOR LEADERS AND SENIOR PRACTITIONERS SEEKING TO ESTABLISH SUSTAINABILITY WITHIN PROCUREMENT AND SUPPLY CHAINS

An advanced course aimed at experienced or developing procurement and supply chain practitioners and some key stakeholders. This high-impact workshop will help you to establish Sustainable Procurement within your organization.

This brand new course will cover all current thinking on Sustainable Procurement, taking delegates through a series of tools and approaches to determine how to progress Sustainable Procurement organization-wide.

Learn how to drive change in terms of what you buy, who you buy from and what happens throughout your entire supply chain. Delivered by leading expert Jonathan O'Brien, we will be offering a sneak preview of the new tools and concepts that will be part of his new book, 'Sustainable Procurement' due for release in 2023.

Date: 20-21 March, 3-4 April and 17-18 April 2023

Cost: £1,720 +VAT per person

Location: Delivered online as a series of 6 x 3.5 hour workshops.

Learn how to:

- 1 Align Sustainable Procurement to corporate objectives
- 2 Conduct a sustainability risk and impact assessment
- 3 Develop sustainability requirements for a supplier relationship
- 4 Mobilize and manage Sustainable Procurement projects
- 5 Develop a supplier sustainability improvement program
- 6 Develop a business case and internal proposal for a Sustainable Procurement project
