CLASSROOM TRAINING

BLENDED LEARNING

A Supplier Relationship Management (SRM) course aimed at experienced or developing purchasing staff and potentially key stakeholders. This course is designed to help equip practitioners to identify those suppliers that are the most important, unlock value and reduce risk from these.

Based around the Positive Purchasing 'Orchestra of SRM[®]', including the 5A[™] SCR (Strategic Collaborative Relationship) process (customizable to your own process), our advanced SRM training course will help you secure greater value, performance, effectiveness, innovation and security of supply as well as reduced supply chain risk. It will enable you to identify those suppliers who are important and why, and equip those who attend with the tools and approaches to determine and effect the right interventions with the right suppliers. It also includes how to drive Sustainable Procurement for important and strategic supplier relationships.

Our SRM training course integrates fully with 5i[®] Category Management and our Red Sheet[®] negotiation training to provide a complete strategic purchasing approach. Experienced trainers bring the training to life using a combination of inspirational tuition, facilitated debate, group work and case studies. Course content is fully customizable.

This course is CPD certified, meaning the learning activity has reached the required Continuing Professional Development standards and benchmarks for integrity and quality. It also holds the IFPSM: Programme Accreditation Standard (PAS) and counts as credit towards the Positive Purchasing Master Practitioner in Strategic Procurement programme.

This course is suitable for:

- Procurement professionals
- Key stakeholders who interface with or manage suppliers in some way
